The community is reminded to monitor for symptoms and get tested if they are identified as close contacts to confirmed positive cases or are experiencing any of the known COVID-19 symptoms, which include, but are not limited to:

- Cough
- Shortness of breath
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not exhaustive of all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, and diarrhea.

### Three GDOE Students Test Positive for COVID-19

Today, the Guam Department of Education (GDOE) confirmed **three (3)** positive cases for COVID-19 involving students at Marciel A. Sablan Elementary School, Ordot-Chalan Pago Elementary School, and George Washington High School. In collaboration with the DPHSS, GDOE has identified and notified teachers as well as parents of students who may have been in contact with the index case in order to schedule testing. Tested individuals will remain in quarantine until they are cleared by DPHSS. Cleaning and disinfecting of areas of the campuses are taking place.
